INFORMATION DISCLOSURE STATEMENT

Sir:

In compliance with 37 C.F.R. 1.97, submitted herewith on the attached form is a list of patents, publications, or other information. Copies of the cited references are enclosed. The submission and listing of these references is not to be construed as an admission that any of the submitted references is "prior art" with respect to the claimed invention. In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made. In accordance with 37 C.F.R. 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

Russian Patent No. 2120940 C1 (published October 27, 1998) and Russian Patent No. 2213734 C2 (published October 10, 2003) have been cited in a communication from a foreign patent office in a counterpart foreign application. Each of the patents was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months before the filing of this information disclosure statement. The references on the attached list are English language equivalents of the cited Russian patents.
